2. The commitment

Please provide a brief description of the commitment and continuity of service. Include details about their dedication to their role, duration and continuity of service, and the role(s) they played in the organisation(s). If they fulfilled their service as part of a team, include their contribution and any leadership responsibilities within that team. *Please note that we recognise that during the COVID-19 crisis, volunteer services may have been suspended or volunteers may have become involved in helping in other ways.*

How has the nominee demonstrated their commitment and service through their work?

(maximum 200 words)

3. The impact

Please give evidence of outcomes/impacts of the nominee's contribution to the community. Concise concrete examples demonstrating achievement should be used. Where possible, try to include quantitative evidence such as a percentage, number or quantity where relevant.

Where relevant, describe how they have gone above and beyond to influence change or practice. You could also describe how they have worked in partnership with others to bring about significant changes including how they tackled obstacles to achieve desired outcomes. You may feel that it is more appropriate to describe how they have advocated for a positive change within their community, for example, how they have influenced infrastructure projects.

Outline the impact the nominee has made and the exceptional qualities they have demonstrated.

(maximum of 600 words).
