

RCM Community

Foundations

How do we pay for our Club Projects?

Our Projects are funded by the Rotary Club of Melbourne Community Foundations, which accepts tax-deductible donations, and a second fund, the Rotary Club of Melbourne Community Foundation Extension Fund (non tax-deductible), which is particularly suitable for bequests.

We are asking all our members to help us to build the corpus of our Foundations, so that the increasing income will enable us to do even more to help disadvantaged people and communities.

You can be recognised as a Special Friend of Rotary Melbourne, and Special Friends are listed in our Directory. To become a Special Friend, we seek your commitment to donating \$5000 or more, over a period of 5 years.

There are various ways of doing this, and we hope many of you will feel that you can commit to one of these:

- \$100 per month by Direct Debit, for 5 years
- \$500 twice a year, for 5 years
- \$1000 annually, for 5 years
- \$5000 (or more) one off donation

Below are some of the projects which were supported by our Community Foundations over the past year.

You can also become a Special Friend of Rotary Melbourne by making a Bequest in your Will, or by adding a Codicil to your existing Will.

This can be done in different ways:

- By allocating a percentage of your net estate
- By specifying a dollar amount
- By adding the Rotary Melbourne Community Foundation as an "extra child/grandchild".

If you are updating your Will, your lawyer can advise you on how best to include your Bequest. If your present Will is up to date, you can add a Codicil to your existing document.

Please provide your name and email, and a member of the Community Foundation Committee will contact you to discuss the various options and the process.
